

ceres::LocalParameterization

```
graph BT; A[ceres::QuaternionParameterization] --> B[ceres::LocalParameterization];
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray rectangular box containing the text 'ceres::QuaternionParameterization'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box above it. The white box contains the text 'ceres::LocalParameterization'. Both boxes have a thin black border.
